

Domino's® Locations Across Maine to Hire 200 New Team Members

September 20, 2017

Open positions include delivery drivers, customer service representatives and shift managers

PORTLAND, Maine, Sept. 20, 2017 /PRNewswire/ -- All 21 Domino's locations across the state of Maine are looking to hire more than 200 new team members. The stores will hold a hiring day with open interviews on Saturday, Sept. 30 from 9 a.m. – 3 p.m. Open positions include delivery drivers, customer service representatives and shift managers.

"We are excited to offer additional jobs throughout the state," said Lee Prior, one of four Domino's franchisees in Maine. "The growth of the communities that the stores are in and success of Domino's allows us to build on our franchise, so we can continue to do what we do best – make great pizzas and deliver them with exceptional service."

The continued success of Domino's across the nation, and specifically the growth of Domino's locations throughout Maine, increases the need for additional support from enthusiastic employees.

"Domino's has been a great place to work over the years," said Prior. "Our company provides a fantastic opportunity to those who show initiative and a desire to advance. Whether you're looking to grow with the company or need a part-time job, Domino's is the place to be."

Prior started working at Domino's as a part-time customer service representative in 2001 and worked his way up to becoming a franchise owner in 2010. He now owns 10 Domino's stores throughout Maine. Prior is not alone – more than 90 percent of Domino's U.S. franchise owners began their career as part-time delivery drivers or pizza makers.
