ANN ARBOR, Mich., Oct. 24, 2022 /PRNewswire/ -- During the upcoming season of giving, **Domino's Pizza, Inc. (NYSE: DPZ), the largest pizza company in the world**, is asking customers to think of the kids of St. Jude Children's Research Hospital® on pizza night. Starting today through Jan. 8, 2023, donate with your order and help St. Jude in their mission: Finding cures. Saving children.

"Domino's is dedicated to delivering a difference," said Jenny Fouracre, Domino's spokesperson. "And during the St. Jude *Thanks and Giving*® campaign, it's Domino's customers who deliver the difference to kids of St. Jude by adding a donation to their order."

Customers can donate while placing an order on the phone, in stores or online from their local Domino's store. Thanks to generous donors, families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

This year is the 18th year Domino's is fundraising for St. Jude through the *Thanks and Giving* campaign. In that time, Domino's has raised more than \$96 million to help St. Jude in their mission. Every child deserves a chance to live their best life and celebrate every moment. When you support St. Jude, you help give kids with cancer around the world that chance. Together, we can save more lives.

"What is most incredible about the millions we have raised for St. Jude is that it has been raised a dollar at a time, or with pennies
