

Domino's® Invites Customers to Give the Greatest Gift: Time, Through St. Jude Thanks and Giving® Campaign

October 19, 2026

Customers can support St. Jude Children's Research Hospital® by donating to its lifesaving mission while ordering from Domino's

ANN ARBOR, Mich., Oct 19, 2026 /PRNewswire/ -- **Domino's Pizza Inc.** (Nasdaq: DPZ) is once again partnering with [St. Jude Children's Research Hospital®](#) to help give children facing cancer and other life-threatening diseases more time through the annual St. Jude *Thanks and Giving®* campaign. Beginning today through Jan. 10, 2027, customers can support the mission of St. Jude by:

- Purchasing the **St. Jude Giving Combo** for \$26.99, which includes:
 - Two large two-topping pizzas, an eight-piece order of Stuffed Cheesy Bread, a two-liter of Coke, and a \$1 donation to St. Jude
- **Rounding up** their order total over the phone, in stores, on [dominos.com](#) or via Domino's app to add a donation to St. Jude.

This year's campaign theme, "The Greatest Gift is Time," highlights what donations make possible for St. Jude patients and families: more time focused on treatment, milestones and making memories together.

"Every year, we're inspired by the generosity of Domino's customers, Franchisees and team members who come together to support the incredible work being done at St. Jude," said Joe Jordan, Domino's CEO. "The greatest gift we can help provide families facing childhood cancer is more time with the people they love. We're proud to continue supporting the St. Jude mission and grateful to everyone who chooses to make a difference through this campaign."

Because of generous donors, families never receive a bill from St. Jude for treatment, travel, housing or food – so they can focus on helping their child live. St. Jude shares the breakthroughs it makes so that doctors and scientists around the world can use that knowledge to save more children.

Domino's has supported St. Jude since 2004 and, together with its Franchisees, announced a commitment in 2024 to raise \$300 million by 2034 to advance the hospital's lifesaving mission. In 2025 alone, Domino's customers, Franchisees and team members raised more than \$19 million to support St. Jude.

"For more than two decades, Domino's has partnered with St. Jude to help children facing cancer and other life-threatening

diseases, and we are deeply grateful for the continued support of its customers, Franchisees and team members," said [Ike Anand](#), president and CEO of [ALSAC](#), the fundraising and awareness organization for St. Jude. "Their generosity makes the lifesaving mission of St. Jude possible, advancing research and treatments that give children more milestones, more memories and more time with the people they love."
