

Domino's Pizza 2003 Sales Release

March 2, 2004

ANN ARBOR, Mich - March 2, 2004 - Domino's, Inc., the recognized world leader in pizza delivery, today announced that 2003 System-wide Sales were up 5.8% from 2002 levels. Fourth quarter System-wide Sales were up 9.6% from prior year. These results were driven by increases in worldwide same store sales and store counts. The Company also benefited from a weaker U.S. dollar, as compared to prior years.

The Company will release its 2003 financial results on March 23, 2004, via an earnings press release and Annual Report on Form 10-K.
