ANN ARBOR, Mich., April 23 /PRNewswire-FirstCall/ -- Craving delicious pasta without the expensive price tag? You're in luck! Domino's Pizza, the recognized world leader in pizza delivery (NYSE: DPZ), has a new line of pastas that gives you more for your money - including a handmade, oven baked bowl, delivered right to your door!

To help launch this unique new product in an innovative way, Domino's is teaming up with House Party, a company that specializes in arranging parties in homes nationwide. On May 2, in 1,000 homes across the country, approximately 16,000 people will be treated to a sample of Domino's BreadBowl Pasta.

"This is pasta like you've never seen before and can't find anywhere else," said Domino's Chief Marketing Officer Russell Weiner. "The pasta scored extraordinarily well in our product tests. Consumers were amazed by the idea of the warm bread bowl and the pasta being baked simultaneously.

"We're also excited by our partnership with House Party," Weiner continued. "They had a record number of people vying to be Domino's party hosts. This is a terrific way for us to sample to thousands of people across the country in a single night."

Currently available throughout the Domino's Pizza U.S. system, Domino's BreadBowl Pasta is a lightly seasoned bread bowl baked up around the pasta. It is perfect for dipping, ripping, sharing and tearing! Domino's BreadBowl Pasta, starting at \$5.99, is available in five classic combinations, including:
