All properly executed Proxies received by the Board, and properly authenticated electronic votes recorded through the internet or by telephone, will be voted as directed by the shareholder. VOTING SECURITIES

Voting Rights

The record date for the determination of shareholders entitled to notice of and to vote at the 2006 Annual Meeting of Shareholders was the close of business on March 24, 2006 (the "Record Date"). On the Record Date, there were 61,859,272 shares of common stock, \$0.01 par value per share, the Company's only voting securities, outstanding and entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote. Under the Company's By-Laws, the holders of a majority of the shares of common stock outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of common stock represented in person or by proxy, including shares which abstain or do not

[Table of Contents](#)

vote with respect to one or more of the matters presented for shareholder approval, will be counted for purposes of determining whether a quorum is present. The affirmative vote of the holders of a plurality of votes cast by the shareholders entitled to vote at the Annual Meeting is required for the election of directors. Shares that abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees that indicate on their Proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and "broker non-votes" will not be included in vote totals and will not affect the outcome of the voting on the election of directors.

ITEM 1: ELECTION OF DIRECTORS

Domino's has a classified Board of Directors currently consisting of three Directors with terms expiring in 2006 (Class II), two Directors with terms expiring in 2007 (Class III) and three Directors with terms expiring in 2008 (Class I). At each Annual Meeting of Shareholders, Directors in one class are elected for a full term of three years to succeed those Directors whose terms are expiring. This year, the three Class II Director nominees will stand for election to a three-year term expiring at the 2009 Annual Meeting. The persons named in the enclosed proxy will vote to elect David A. Brandon, Mark E. Nunnelly and Diana F. Cantor as directors unless the Proxy is marked otherwise. Each of the nominees has indicated their willingness to serve, if elected. However, if a nominee should be unable to serve, the shares of common stock represented by Proxies may be voted for a substitute nominee designated by the Board. Management has no reason to believe that any of the above-mentioned persons will not serve his or her term as a Director.

Set forth below are the name, age and principal occupation of each nominee for election as a Class II Director and of each continuing member of the Board. Information with respect to the business experience, other publicly-held companies on which they serve as a director and the number of shares of Domino's Pizza, Inc. common stock beneficially owned by each Director, appears later in this Proxy Statement.

CORPORATE GOVERNANCE PRINCIPLES AND DIRECTOR INFORMATION

Domino’s Pizza has a strong commitment to good corporate governance practices. These practices provide a framework within which the Company’s Board and management can pursue the strategic objectives of Domino’s Pizza and ensure its long-term growth for the benefit of shareholders. The Company’s corporate governance principles and practices are reviewed annually by the Nominating and Corporate Governance Committee and changes are recommended to the Board for approval. The Company’s Corporate Governance Principles are posted on the Domino’s website www.dominos.com under the Investors section and are available upon request from the Company’s Corporate Secretary. The Company’s website (“Investors” section on www.dominos.com) also contains the Nominating and Corporate Governance Committee Charter, the Compensation Committee Charter and the Audit Committee Charter.

The Corporate Governance Principles and the Charter of the Nominating and Corporate Governance Committee set forth the Company’s policies with respect to Board structure, membership (including nominee qualifications), performance, operations and management oversight. Pursuant to the Corporate Governance Principles, the Board meets quarterly in executive session (without management present). The discussion leader for these executive session meetings generally is the Chair of the Nominating and Corporate Governance

[Table of Contents](#)

Committee, although the Chairs of the Audit and Compensation Committees lead discussions on matters within the purview of those Committees. The independent Directors of the Board also meet separately at least once per year.

The Board believes that a majority of its members should be independent directors. A Director will be designated as independent if he or she (i) has no material relationship with the Company or its subsidiaries; (ii) satisfies the other criteria specified by New York Stock Exchange listing standards; (iii) has no business conflict with the Company or its subsidiaries; and (iv) otherwise meets applicable independence criteria specified by law, regulation, exchange requirement or the Board. The Board has affirmatively determined that the following Directors are independent under that definition:

Diana F. Cantor
Vernon O. Hamilton
Dennis F. Hightower
Robert M. Rosenberg

The Corporate Governance Principles further provide that the Directors are invited and expected to attend the Annual Meeting of Shareholders. All Directors attended the 2005 Annual Meeting of Shareholders.

The Company has adopted a Code of Professional Conduct for Senior Financial Officers that applies to all executive officers of the Company, including the Chief Executive Officer and Chief Financial Officer, as well as all of the Company's other financial officers and other employees with senior financial roles. The Code of Professional Conduct is posted on the Company's website ("Investors" section on www.dominos.com). The Company intends to satisfy the disclosure requirement regarding any amendment to, or waiver of, a provision of the Code of Professional Conduct for the Chief Executive Officer, Chief Financial Officer, Corporate Controller or persons performing similar functions, by posting such information on its website.

A total of five meetings of the Board of the Company were held during 2005. Each Director attended at least 75% of the aggregate of (i) the total number of meetings of the Board, and (ii) the total number of meetings held by all committees of the Board on which that Director served during the period each served as a Director.

In accordance with New York Stock Exchange requirements, the Board has a Nominating and Corporate Governance Committee, a Compensation Committee and an Audit Committee, all of which are comprised solely of "independent" Directors, as defined by Section 303A of the New York Stock Exchange listed company rules, in accordance with New York Stock Exchange listed company rules. Each committee of the Board has designated responsibilities and regularly report on their activities to the entire Board.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Messrs. Hightower (Chair), Rosenberg and Ms. Cantor. The Committee was established on July 13, 2004 and held five meetings in 2005. Each member of the Nominating and Corporate Governance Committee is independent as required under the New York Stock Exchange listed company rules as discussed above. A Nominating and Corporate Governance Committee Charter, as approved by the Board, can be found on the Company's corporate and investor website ("Investors" section on www.dominos.com).

The Committee's functions include assisting the Board in determining the desired qualifications of Directors, identifying potential individuals meeting those qualification criteria, proposing to the Board a slate of nominees for election by the shareholders and reviewing candidates nominated by shareholders. In addition, the Committee also reviews the Corporate Governance Principles, makes recommendations to the Board with respect to other corporate governance principles applicable to the Company, recommends Directors to serve on committees, oversees the determinations of director independence, oversees the annual evaluation of the Board and management, and reviews Board succession plans.

Table of Contents

The Nominating and Corporate Governance Committee meets regularly to discuss, among other things, identification and evaluation of potential candidates for nomination as a Director. The Nominating and Corporate Governance Committee may use a paid outside search firm to identify possible directors. Director candidates will be evaluated according to the qualification criteria as set forth in the Board's Corporate Governance Principles, including:

- High personal and professional ethics, integrity and values;
- Possession of a range of talents, skills and expertise to provide sound and prudent guidance with respect to the operations and interests of the Company;
- Expertise that is useful to the Company and complementary to the background and experience of other Board members;
- Ability to devote the time necessary for the diligent performance of the duties and responsibilities of Board membership;
- Commitment to serve on the Board over a period of several years to develop knowledge about the Company and its operations;
- Willingness to represent the long-term interests of all shareholders and objectively appraise management's performance; and
- Board diversity and other relevant factors as the Board may determine.

Ms. Cantor was recommended by the Nominating and Corporate Governance Committee for election as Director in 2005 and for inclusion in the 2006 Proxy Statement for election at the 2006 Annual Shareholders Meeting. Ms. Cantor was identified to the Nominating and Corporate Governance Committee by the Chairman and Chief Executive Officer of Domino's Pizza, David Brandon. The other nominees for election at the 2006 Annual Meeting of Shareholders, David Brandon and Mark Nunnally, already serve as Directors of the Company.

The Nominating and Corporate Governance Committee will consider nominees recommended by shareholders for the 2007 Annual Meeting of Shareholders, provided that the names of such nominees are submitted in writing, not later than December 6, 2006, to Elisa D. Garcia C., Domino's Pizza, Inc., 30 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48105. Each such submission must include a statement of the qualifications of the nominee, a consent signed by the nominee evidencing a willingness to serve as a Director, if elected, and a commitment by the nominee to meet personally with the Nominating and Corporate Governance Committee members.

Other than the submission requirements set forth above, there are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates a nominee for Director recommended by a shareholder.

Compensation Committee

The members of the Compensation Committee are Messrs. Rosenberg (Chair), Hamilton and Hightower. Each member of the Compensation Committee is independent as required under the New York Stock Exchange listed company rules. The Compensation Committee met four times during 2005 to conduct its required business in accordance with the Compensation Committee Charter. A Compensation Committee Charter, as approved by the Board, can be found on the Company's corporate and investor website ("Investors" section on www.dominos.com).

The Compensation Committee's functions include examining the levels and methods of compensation employed by the Company with respect to the Chief Executive Officer and non-CEO officers, making

[Table of Contents](#)

recommendations to the Board with respect to non-CEO officer compensation, reviewing and approving the compensation package of the Chief Executive Officer, making recommendations to the Board with respect to incentive compensation plans and equity-based plans, reviewing management succession plans, making administrative and compensation decisions under equity compensation plans approved by the Board, administering one or more cash bonus plans, subject to shareholder approval, that will qualify compensation paid thereunder as “performance-based compensation” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, and implementing and administering such plans.

Audit Committee

The members of the Audit Committee are Messrs. Hightower (Chair), Rosenberg and Hamilton. Each member of the Audit Committee is independent as required under the New York Stock Exchange listed company rules. The Committee met six times during 2005. The Audit Committee Charter, as approved by the Board, can be found on the Company’s corporate and investor website (“Investors” section on www.dominos.com).

The Board has determined that two of its independent members, each meeting the requirements of Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act, Messrs. Hightower and Rosenberg, are audit committee financial experts. The Audit Committee’s functions include providing assistance to the Board in fulfilling its oversight responsibility relating to the Company’s financial statements and the financial reporting process, compliance with legal and regulatory requirements, the qualifications and independence of the Company’s independent public accountants, the Company’s system of internal controls, the internal audit function, the Company’s code of ethical conduct, retaining and, if appropriate, terminating the independent public accountants, and approving audit and non-audit services to be performed by the independent public accountants.

The Audit Committee has adopted a policy under which audit and non-audit services to be rendered by the Company’s independent public accountants are pre-approved. The Pre-Approval Policy can be found on the Company’s corporate and investor website (“Investors” section on www.dominos.com).

The Company is responsible for overseeing the quality and integrity of Domino's accounting, auditing, financial reporting and internal control practices. The Audit Committee is also responsible for the selection of the Company's independent accountants.

In performing our responsibilities, the Audit Committee, in addition to other activities, (i) reviewed and discussed the Company's audited financial statements with management; (ii) discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees), as modified or supplemented; and (iii) received the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and discussed with PricewaterhouseCoopers LLP the firm's independence. REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overview

The Compensation Committee of the Board of Directors consists of only outside, non-employee, independent directors, who are appointed by the Board of Directors. The Committee is currently composed of Robert Rosenberg (chairman), Dennis Hightower and Vernon "Bud" Hamilton. The Committee is responsible for establishing the Company's compensation philosophy, approving the Company's executive compensation programs and establishing the salaries and other compensation of the Company's executive officers.

Compensation Philosophy

The Company's executive compensation policy is a "pay for performance" system. The goal of the Company's compensation system is to attract, motivate and retain highly talented individuals to help Domino's Pizza attain the Company's business goals and objectives. Domino's Pizza, Inc. is committed to achieving long-term, sustainable growth and increasing shareholder value. The Domino's compensation programs for executive officers are designed to maintain these commitments and encourage strong financial performance on an annual and longer-term basis. The Company evaluates executive compensation by measuring the total compensation of the Chief Executive Officer and other executive officers. The principal elements of the total compensation for the Chief Executive Officer and other executive officers are base salary, performance bonus awards, certain fringe benefits, and long-term compensation consisting primarily of stock options.

In order to maintain the effectiveness of the Company's current executive compensation structure, the Compensation Committee annually reviews the reasonableness of executive compensation levels using professional compensation consultants who advise the Company, public information about comparable companies within the Company's industry, and evaluating individual performance as well as the Company's growth and profitability. In making such determinations, the Compensation Committee reviews the nature and scope of each executive officer's responsibilities as well as his or her effectiveness in supporting the Company's long-term goals. The Compensation Committee attempts to set levels of salary, bonus, and other compensation at levels that will attract, motivate, and retain superior executive talent in a highly competitive environment.

In February, 2005 the Compensation Committee retained Frederic W. Cook & Co., Inc., an independent compensation consulting firm ("Cook"), to advise it on compensation matters. Cook provided a peer group study of executive officer compensation at comparable U.S. companies with which the Company competes for executive talent.

Annual Base Salary Compensation

The Compensation Committee annually reviews and approves the base salaries of executive officers, including the Chief Executive Officer. In making these determinations, the committee considers various factors such as the executive's employment agreement with the Company, the executive's performance and responsibilities, leadership, years of experience, competitive salaries within the marketplace, and the executive's total compensation package.

Annual Performance Bonuses

The following section describes the annual performance bonus for the Key Executives (as defined herein) of the Company, except for the Chief Executive Officer, whose annual performance bonus is described in the section below entitled "Compensation for Chief Executive Officer." The annual performance bonus for executive officers consists of a cash bonus payment based upon both the Company's total performance and individual executive performance. Each year, the committee approves bonus targets for the Company and sets a bonus target for the Key Executives based on the achievement of a certain EBITDA-based target. No bonuses are paid to Key Executives unless 90% of the bonus target is exceeded in the applicable fiscal year. Each Key Executive receives one-tenth of one percent (0.1%) of a specified percentage of their base salary for every one hundredth of one percent (0.01%) (rounded to the nearest hundredth) in excess of 90% of the bonus target that is achieved in the applicable fiscal year. Key Executives are also eligible for an annual discretionary bonus, the amount of which is determined at the sole discretion of the Chief Executive Officer based on subjective and objective criteria established by the Chief Executive Officer, of up to 25% of their base salary. The committee approves annual bonuses for all eligible employees, including the executive officers of the Company, based on whether the pre-approved bonus targets were met and whether any other pre-established performance criteria set by the Compensation Committee were achieved. The committee may revise the established performance criteria and establish new performance criteria at their discretion. Many Key Executives have employment agreements that outline the provisions of their annual performance bonus.

Long-Term Compensation

In order to ensure that the interests of management are aligned with creating shareholder value, the Compensation Committee provides and maintains long-term equity incentive programs. Grantees do not receive a benefit from stock options unless and until the market price of the Company's common shares increases. This program accomplishes the objective of linking each executive officer's opportunity for financial gain to increases in shareholder wealth, as reflected by the market price of the Company's common shares.

The Compensation Committee has the authority to issue equity awards under the Domino's Pizza, Inc. 2004 Equity Incentive Plan, which was adopted in 2004, to all eligible team members. Awards to Senior Executives Officers and the Chief Executive Officer are also presented to the Board of Directors by the Compensation Committee and are ratified by the Board of Directors. Under the plan, the Compensation Committee may award incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, unrestricted stock, stock deliverable on a deferred basis, performance-based stock awards, and cash payments intended to defray the cost of awards. Participation in the plan is limited to those key employees and other persons who are recommended by management and approved by the Compensation Committee. Under the plan, the maximum number of shares for which awards may be granted to any participant in any year, and the maximum number of shares deliverable to any participant through other awards for any year, is in each case limited to 1,000,000 shares per participant. The limit on shares available under the plan, the individual limits, and other award terms are subject to adjustment to reflect stock splits or stock dividends, combinations, and certain other events. The plan also includes provisions concerning the treatment of awards upon the termination of service of an individual employee, and in the case of a merger or similar corporate transaction by the Company.

The current outstanding options under the plan generally vest ratably over a five-year period. As of January 1, 2006 there were 3,488,035 options currently issued and outstanding under the plan and a total of 2,059,630 authorized but unissued options under the plan, and a total of 288,498 of such options were fully vested. Additionally, as of January 1, 2006, there were 2,638,138 outstanding options issued prior to July 13, 2004 under the TISM, Inc. Fourth Amended and Restated Stock Option Plan of which 1,628,338 options are fully vested.

[Table of Contents](#)

In addition, the Company maintains the Domino's Pizza Employee Stock Payroll Deduction Plan (the "ESPDP"), adopted in July 2004, to provide employees, including executive officers, with an opportunity to purchase shares of the Company's common stock through payroll deductions at a 15% discount from the market price. The ESPDP allows the Company to provide additional value to employees thereby retaining key employees, securing new qualified employees and to provide incentives for employees to work towards achieving the Company's key objectives.

Certain Benefits

The benefits program is comprised of retirement income and group insurance plans. The objective of the program is to provide executive officers with reasonable and competitive levels of protection against the four contingencies (retirement, death, disability and illness) which will interrupt the executive officer's employment and/or income received as an active employee. The retirement program consists of two savings plans: 1) a tax-qualified 401(k) savings plan and 2) a non-qualified deferred compensation plan. The 401(k) savings plan is open to all employees age 21 or older who have also worked at least 1,000 hours. Effective January 1, 2006, the Company increased its match on employee 401(k) contributions to a 100% match on the first three percent (3%) contributed by employees into their 401(k) funds and a 50% match on each of the fourth and fifth percent (4% and 5%) of employee 401(k) contributions. The non-qualified deferred compensation plan is offered to select senior management, including all Executives Officers.

The Company's group insurance program consists of life, disability and health insurance benefit plans that cover all full-time employees. All executive officers are provided reimbursement for payroll contributions when participating in the long-term disability plan as well as an umbrella insurance policy. The executive officers are reimbursed for expenses related to the completion of an annual comprehensive physical for themselves and their spouse. Additional Information regarding perquisites provided to executive officers is set forth in the Summary Compensation Table in this Proxy Statement.

Use of Tally Sheets

The Committee, with the assistance of management of the Company, created a tally sheet to facilitate the Committee's review of the total compensation of the Named Executive Officers of the Company. In preparation of this Proxy Statement, the Committee reviewed the tally sheets for the Chief Executive Officer, the next four highly compensated executive officers of the Company and the Company's former Chief Financial Officer.

Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the tax deductibility of annual compensation paid by a publicly-held company to \$1,000,000 per individual employee per year. However, this limitation generally does not apply to performance-based compensation under a plan that is approved by the shareholders of a company that also meets certain other technical requirements. The Compensation Committee intends to utilize performance-based compensation programs that meet the deductibility requirements under Section 162(m). The Committee has approved for inclusion in this Proxy Statement for approval by the shareholders a Domino's Pizza Senior Executive Annual Incentive Plan. However, the Compensation Committee also realizes that in order to attract and retain individuals with superior talent, the rare possibility exists that individual exceptions may occur.

Compensation for Chief Executive Officer

Mr. Brandon was named Chief Executive Officer and Chairman of the Board of the Company in March 1999. He had previously served as President and Chief Executive Officer of Valassis, Inc. from 1989 to 1998 and Chairman of the Board from 1997 to 1998.

[Table of Contents](#)

Mr. Brandon's employment agreement provides that he will receive an annual bonus, the amount of which shall be determined based on the achievement of performance objectives. For 2005, the performance objective was based on the achievement of the same EBITDA target used to determine other Key Executive bonuses. The maximum amount of the bonus pursuant to his employment agreement is 200% of base salary. The payment to Mr. Brandon for 2005 was based on the achievement of the 2005 goals. Consistent with the philosophy stated earlier in this Report regarding the significance of incentive compensation to total cash compensation, 67% of Mr. Brandon's cash compensation for 2005 was incentive pay. Since the incentive award opportunity was designed to increase as the Company's performance increased, and decrease if the specified goals were not met, Mr. Brandon's cash compensation was significantly affected by the Company's performance. In December 2005, the Committee approved a salary increase, beginning in January 2006, for Mr. Brandon from \$600,000 to \$750,000.

Long-term incentives in the form of stock options were granted to Mr. Brandon in 2005. Stock options were granted at 100% of the fair market value of the Company's common shares on July 29, 2005, the date of grant. Options serve to directly align Mr. Brandon's interests with the interests of the Company and other shareholders, as Mr. Brandon will not realize a benefit unless and until the market price of the Company's common shares increases.

The Committee believes that Mr. Brandon has been reasonably compensated for the job he has done as the Chairman of the Board and Chief Executive Officer. His opportunities to increase his future compensation depend on the Company's future performance and the competitive pay practices of comparable positions within the food-service industry. The compensation programs applicable to Mr. Brandon have accomplished the objective of linking shareholder and financial performance to Mr. Brandon's total compensation.

Respectfully submitted,

Compensation Committee

Robert M. Rosenberg, Chairman

Dennis F. Hightower

Vernon "Bud" O. Hamilton

- Options relate to shares of common stock and were awarded by the Board under the Domino's Pizza 2004 Equity Incentive Plan and vest 20% per year on the anniversary date of the grant for five (5) years.
- The amounts shown on this table represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of Domino's Pizza common stock, the optionholder's continued employment through the option period and the date on which the options are exercised. If the Company's common stock does not increase in value after the grant date of the options, the options are valueless.

COMPARATIVE STOCK PERFORMANCE

The comparative stock performance line graph below compares the cumulative shareholder return on the common stock of Domino's (DPZ) for the period of time from the commencement of trading on the New York Stock Exchange following its initial public offering, July 13, 2004, through January 1, 2006, with cumulative total return on (i) the Total Return Index for the New York Stock Exchange (the "NYSE Composite Index") through January 1, 2006, (ii) the Standard & Poors 500 Index through January 1, 2006, and (iii) the Peer Group Index through January 1, 2006. ITEM 2: APPROVAL OF THE DOMINO'S PIZZA SENIOR EXECUTIVE ANNUAL INCENTIVE PLAN

Background

United States tax laws do not allow a publicly-held company to obtain tax deductions for compensation of more than \$1 million paid in any year to its chief executive officer or any of the other highly compensated named executive officers unless the payments are “performance-based” for purposes of the Internal Revenue Code. To qualify, shareholders must approve the material terms of the performance goals for such compensation at least every five years. The Company proposes to use the Domino's Pizza Senior Executive Annual Incentive Plan (the “Senior Incentive Plan”) to grant annual bonuses to its named executives.

Purpose

The purpose of this Senior Incentive Plan is to advance the interests of the Company by enhancing the ability of the Company to attract and retain management and employees who are in a position to make significant contributions to the success of the Company and to reward such individuals for their contributions. Performance-based awards are an important part of the Company's compensation system.

Description of the Plan

The following paragraphs provide a summary of the principal features of the Senior Incentive Plan. The summary is qualified in its entirety by reference to the complete text of the Senior Incentive Plan which is attached as Annex A hereto.

Number of Participants

Under the Senior Incentive Plan, five Company executives may be eligible for annual bonuses. Those executives are: David A. Brandon, L. David Mounts, J. Patrick Doyle, Michael D. Soignet and Ken C. Calwell.

Awards

Under the Senior Incentive Plan, the Compensation Committee may grant annual cash incentives (“Awards”) to those employees of the Company or its subsidiaries designated by the Compensation Committee who are executive officers or who otherwise are members of senior management of the Company (“Eligible Employees”). The recipient of an Award (a “Participant”) will become entitled to a cash payment if certain performance goals (described below) for the performance period, as established by the Compensation Committee, are satisfied. For the Award, the amount of the cash payment is to be based on the extent to which the performance goals are achieved. At the time an Award is granted to a Participant, the Committee shall establish, with respect to the Award, (i) a target amount, expressed as a percentage of the Participant's base salary for such Performance Period; (ii) the performance goal(s) for the Performance Period with respect to the Award; (iii) the payments to be made with respect to various levels of achievement of the performance goal(s) for the Performance Period; and (iv) whether the Award is intended to satisfy the requirements for performance-based compensation (as described below).

Performance-Based Compensation

A federal income tax deduction will generally be unavailable for annual compensation in excess of \$1 million paid to any of the five most highly compensated officers of a public corporation. However, amounts that constitute “performance-based compensation” are not counted toward the \$1 million limit. The Committee may designate any Award under the Senior Incentive Plan as intended to be “performance-based compensation.” Any Awards so designated shall be conditioned on the achievement of one or more performance goals, as required by Section 162(m).

[Table of Contents](#)

Plan Benefits

The Compensation Committee has the sole discretion to set the performance goals for Awards under the Senior Incentive Plan. For this reason, the Company cannot determine the Awards that might be received by Eligible Employees under the Senior Incentive Plan.

The following table sets forth the Awards that would have been received by the Eligible Employees in 2005 had the Senior Incentive Plan been in place as proposed during 2005 and had all Eligible Employees been employed for the full 2005 year. The Senior Incentive Plan covers only the executive officers listed below, no other executive officers, non-executive directors or non-executive employees would be eligible for awards under the Senior Incentive Plan.

<u>Eligible Employees</u>	<u>2005 Award</u>
David A. Brandon	\$ 1,604,400
L. David Mounts	555,450
J. Patrick Doyle	460,000
Michael D. Soignet	450,000
Ken C. Calwell	455,000

Administration

The Senior Incentive Plan shall be administered by the Compensation Committee. The Compensation Committee shall have the authority to: (a) determine the Participants in the Senior Incentive Plan for any Performance Period; (b) determine the amount of the Awards for any fiscal year; (c) determine, modify or waive the terms and conditions of each Award; and (d) interpret the Senior Incentive Plan and any terms and conditions associated with any Award granted under the Senior Incentive Plan and to decide any questions and settle all controversies and disputes that may arise in connection with the Senior Incentive Plan or any Award granted under the Senior Incentive Plan. The Compensation Committee may amend, suspend or discontinue the Senior Incentive Plan and the eligible participants at any time or times, subject to applicable law and the receipt of any required regulatory approvals and, where required by applicable law, subject to approval by the stockholders of the Company.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE DOMINO’S PIZZA SENIOR EXECUTIVE ANNUAL INCENTIVE PLAN.

ITEM 3: APPROVAL OF THE DOMINO’S PIZZA, INC. AMENDED 2004 EQUITY INCENTIVE PLAN

The Company’s 2004 Equity Incentive Plan (the “EIP”) was originally adopted by the stockholders of the Company in July 2004, prior to the Company’s initial public offering. In order for the EIP to continue to qualify under section 162(m) of the Internal Revenue Code and to increase the number of shares reserved for issuance under the EIP, shareholder approval of the Amended Domino’s Pizza, Inc. 2004 Equity Incentive Plan (the “Amended EIP”) is required. The Amended EIP differs from the EIP only in that the authorized shares of common stock reserved for issuance under the Amended EIP has increased from 5,600,000 to 10,600,000.

If approval of the Amended EIP is not obtained at the Annual Meeting, the EIP will remain in place as it was prior to the Annual Meeting; however, the Company will be limited in its ability to issue new options under the EIP and the EIP will not qualify under section 162(m) of the Internal Revenue Code after 2008.

DESCRIPTION OF THE EQUITY INCENTIVE PLAN

The following paragraphs provide a summary of the principal features of the Amended EIP. The summary is qualified in its entirety by reference to the complete text of the EIP which is attached as Annex B hereto.

Table of Contents

The Amended EIP provides for the grant of awards, which may consist of any or a combination of stock options, stock appreciation rights, or SARs, restricted stock, unrestricted stock, deferred stock, securities (other than options) that are convertible into stock, performance awards and grants of cash made in connection with the other awards to help defray in whole or in part the economic cost of the award to the participant. The Board may make grants to employees, directors, consultants and other service providers.

The number of shares to be reserved for issuance under the Amended EIP includes (1) 10,600,000 shares of common stock plus (2) any shares returned to the Amended EIP as a result of termination of options that were granted under the Amended EIP (by reason of forfeiture), plus shares held back in satisfaction of tax withholding requirements from shares that would otherwise have been delivered pursuant to an award.

The maximum number of shares of stock for which options may be granted to any person in any calendar year, the maximum number of shares of stock subject to SARs granted to any person in any calendar year and the aggregate maximum number of shares of stock subject to other awards that may be delivered to any person in any calendar year will each be 1,000,000.

The Board, or a committee appointed by the Board, will administer the Domino's Amended EIP and will have the power to interpret the Amended EIP's terms, determine the terms of each award granted, including the exercise price of the option or SAR, the purchase price of each share of stock, the time at which each award will vest, any restrictions applicable to any award, the number of shares subject to each option or SAR, the exercisability thereof and the form of consideration payable upon such exercise. With respect to performance-based awards that are intended to comply with Section 162(m) of the Internal Revenue Code, the determination of the performance targets and the satisfaction of those targets will be determined by a committee of at least three "disinterested directors" as required by Section 162(m) of the Internal Revenue Code.

For this reason, the Company cannot determine the number of stock options, SARs, restricted stock, unrestricted stock, deferred stock, securities (other than options) that are convertible into stock, performance awards and grants of cash that might be received by participants under the Amended EIP. The following table sets forth, as of January 1, 2005, the total number of options and other awards granted to each of the following persons and groups under the EIP in 2005.

<u>Option and Award Recipient</u>	<u>Options Granted in 2005</u>
David A. Brandon	300,000
L. David Mounts	250,000
J. Patrick Doyle	135,000
Michael D. Soignet	80,000
Ken C. Calwell	85,000
James G. Stansik	85,000
All Executive Officers (11 persons)	1,305,000
Non-Executive Director Group	52,500
Non-Executive Employee Group	678,500

The total number of employees and directors eligible to participate under the Amended EIP is approximately 13,200.

Awards granted under the Amended EIP are generally not transferable by the participant, and each award is exercisable during the lifetime of the participant. Stock options and SARs granted under the Amended EIP must generally be exercised within 3 months after the end of a participant's status as employee, director or consultant, or within 12 months after that participant's death or disability, but in no event later than the expiration of the option term.

[Table of Contents](#)

Incentive stock options may be granted only to employees. The exercise price of all incentive stock options granted under the Amended EIP must be at least equal to the fair market value of the common stock on the date of grant. The exercise price of non-statutory stock options granted under the Amended EIP is determined by the administrator, but with respect to non-statutory stock options intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Internal Revenue Code, the exercise price must be at least equal to the fair market value of the Company’s common stock on the date of grant. With respect to any participant who owns stock representing more than 10% of the total combined voting power of all classes of the Company’s outstanding capital stock, the exercise price of any incentive stock option grant must be at least equal to 110% of the fair market value on the grant date, and the term of such incentive stock option must not exceed five years. The term of all other incentive stock options granted under the Amended EIP may not exceed ten years.

The Amended EIP provides that in the event the Company merges with or into another corporation or sells all or substantially all of the Company’s assets, all outstanding awards will vest and become exercisable and all deferrals that are not measured by reference to nor payable in shares of stock will be accelerated and upon consummation of the transaction all outstanding awards will be forfeited unless assumed by the successor corporation entity or its affiliate. Unless otherwise determined by the administrator, in the event of such a transaction, all awards that are payable in the form of stock and that have not been exercised, exchanged or converted are converted into the right to receive the consideration paid in the transaction. In connection with such transaction, the acquiring or surviving entity may provide for substitute or replacement awards on such terms as the administrator determines, except that no such replacement or substitution will diminish any acceleration.

The administrator may amend the Amended EIP and any outstanding award, or may terminate the Amended EIP as to any further grants, but no such amendment will effectuate a change, without stockholder approval, for which stockholder approval is required in order for the Amended EIP to continue to qualify under Section 422 of the Internal Revenue Code.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDED DOMINO’S PIZZA, INC. 2004 EQUITY INCENTIVE PLAN.

The TISM, Inc. Fourth Amended and Restated Stock Option Plan (the "TISM Plan") was adopted by the Board on June 25, 2003 and approved by the Company's shareholders on June 25, 2003. At January 1, 2006, under the TISM Plan, there were outstanding options to purchase 2,638,138 shares of non-voting common stock at a weighted average exercise price of \$6.65 per share of which options to purchase 1,628,338 shares were exercisable at a weighted average exercise price of \$5.38 per share. In connection with the Domino's Pizza initial public offering in July of 2004, the Company amended the TISM Plan to terminate the ability to issue additional options under the TISM Plan. Outstanding awards previously granted under the TISM Plan will continue to be governed by such plan. The non-voting common stock issuable upon exercise of all such options is convertible into shares of Domino's Pizza common stock upon transfer to a non-affiliate of the holder or otherwise in a brokerage transaction.

Domino's Pizza, Inc. 2004 Equity Incentive Plan

The Domino's Pizza, Inc. 2004 Equity Incentive Plan (the "EIP") was adopted by the Board on June 1, 2004 and approved by the Company's shareholders. The Board may make grants to employees, directors, consultants and other service providers. The number of shares reserved for issuance under the EIP includes (1) 5,600,000 shares of common stock plus (2) any shares returned to the EIP as a result of termination of options that were granted under the EIP (by reason of forfeiture), plus shares held back in satisfaction of tax withholding requirements from shares that would otherwise have been delivered pursuant to an award. The shares reserved for issuance under the EIP will increase by 5,000,000 shares to 10,600,000 if the Company's shareholders approve Item 3 in this Proxy Statement.

The maximum number of shares of stock for which options may be granted to any person in any calendar year or that may be delivered to any person in any calendar year will each be 1,000,000. Incentive stock options may be granted only to employees. The exercise price of all incentive stock options granted under the EIP must be at least equal to the fair market value of the common stock on the date of grant. The exercise price of non-statutory stock options granted under the EIP is determined by the administrator, but with respect to non-statutory stock options intended to qualify as "performance-based compensation" within the meaning of Section 162(m) of the Internal Revenue Code, the exercise price must be at least equal to the fair market value of Domino's Pizza common stock on the date of grant. With respect to any participant who owns stock representing more than 10% of the total combined voting power of all classes of the Company's outstanding capital stock, the exercise price of any incentive stock option grant must be at least equal to 110% of the fair market value on the grant date, and the term of such incentive stock option must not exceed five years. The term of all other incentive stock options granted under the EIP may not exceed ten years.

The Company has also entered into employment agreements ("Executive Agreements") with each of the Named Executive Officers referenced in the Summary Compensation Table (see pages 17 and 18) as well as certain other executive officers ("Key Executives"). In addition, each of the Named Executive Officers is subject to non-competition, non-solicitation and confidentiality provisions.

Additionally, Mr. Silverman retired from his position as Chief Financial Officer and Executive Vice President of Finance on December 31, 2005. The Company and Mr. Silverman entered into a one year separation agreement (the "Separation Agreement") that began on January 1, 2006 and ends on December 31, 2006. Under the Separation Agreement, the Company will pay Mr. Silverman \$310,000, will reimburse Mr. Silverman for expenses related to COBRA and Mr. Silverman's stock options will continue to vest through the term of the Separation Agreement.

The stock option agreements of the Company's Named Executive Officers under the Fourth Amended and Restated TISM Stock Option Plan provide that upon a change in control of Domino's Pizza, Inc., the options granted to the Named Executive Officers shall become immediately vested, but exercisable only as to an additional 20% per year. After a change in control, however, should the Named Executive Officer terminate his employment for good reason (as defined in the Executive Agreements), or if the Company terminates the Named Executive Officer without cause (as defined in the Executive Agreements), all options will become immediately exercisable.

CERTAIN TRANSACTIONS INVOLVING MANAGEMENT OR 5% OR GREATER SHAREHOLDERS

Stockholders agreements

In connection with the 1998 recapitalization, the Company entered into a number of stockholders agreements. The first agreement was entered into with investment funds affiliated with Bain Capital, LLC and specified other investors, shareholders and executive officers. In connection with the Domino's Pizza initial public offering, all of the stockholders agreements were amended to eliminate the voting agreement and the negative covenants contained therein and all of the other provisions of these agreements, other than provisions relating to registration rights, terminated by operation of the applicable agreement. The registration rights provide for demand registration rights for the investment funds affiliated with Bain Capital, LLC and for piggyback

registration rights for all shareholders that are party to that stockholders agreement. The second stockholders agreement was entered into with all of the current employee shareholders. This agreement contained a provision that terminated all of the other provisions of the agreement, other than the registration rights provisions, upon the Domino's Pizza initial public offering. The registration rights provisions provide for piggyback registration rights for all such shareholders. The remaining stockholders agreements were entered into with each of the Company's current franchisee shareholders. Each of these agreements contained a provision under which all of the other provisions of the agreement, other than the registration rights provisions, terminated at the Domino's Pizza initial public offering. The registration rights provisions provide for piggyback registration rights for all such shareholders. Each of the stockholders agreements includes customary indemnification provisions in favor of any person who is or might be deemed a controlling person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, who the Company refers to as controlling persons, and related parties against liabilities under the Securities Act incurred in connection with the registration of any of the Company's debt or equity securities. These provisions provide indemnification against certain liabilities arising under the Securities Act and certain liabilities resulting from violations of other applicable laws in connection with any filing or other disclosure made by the Company under the securities laws relating to any such registrations. Domino's agreed to reimburse such persons for any legal or other expenses incurred in connection with investigating or defending any such liability, action or proceeding, except that the Company will not be required to indemnify any such person or reimburse related legal or other expenses if such loss or expense arises out of or is based on any untrue statement or omission made in reliance upon and in conformity with written information provided by such person.

Management agreement

In connection with the Company's 1998 recapitalization, the Company entered into a management agreement with Bain Capital Partners VI, L.P., an affiliate of Bain Capital, LLC, pursuant to which Bain Capital Partners VI, L.P. provides financial, management and operations consulting services to us. These services include advice in connection with the negotiation and consummation of agreements and other documents to provide the Company with financing from banks or other entities, as well as financial, managerial and operational advice in connection with the Company's day-to-day operations, including advice with respect to the investment of funds and advice with respect to the development and implementation of strategies for improving Domino's operating, marketing and financial performance. In exchange for such services, Bain Capital Partners VI, L.P. was paid an annual management fee not to exceed \$2.0 million plus reimbursement of the expenses of Bain Capital Partners VI, L.P. and its affiliates in connection with the management agreement, the Company's recapitalization in 1998 or otherwise related to their investment in us. In addition, in exchange for assisting the Company in negotiating the senior financing for any recapitalization, acquisition or other similar transaction, Bain Capital Partners VI, L.P. was entitled to a transaction fee equal to 1% of the gross purchase price, including assumed liabilities, for such transaction, irrespective of whether such senior financing is actually committed or drawn upon. In connection with the Company's 1998 recapitalization, Bain Capital Partners VI, L.P. received a fee of \$11.75 million. In connection with the closing the Domino's Pizza initial public offering in July 2004, the management agreement was terminated in exchange for a payment to Bain Capital Partners VI, L.P. of \$10.0 million. The management agreement included customary indemnification provisions in favor of Bain Capital Partners VI, L.P. and its affiliates and related parties. Messrs. Balson and Nunnally, two of the Company's directors, are managing directors of Bain Capital, LLC. The management agreement indemnification provision provides that Domino's will indemnify each of the above-referenced entities and persons from and against all liabilities and expenses incurred in connection with the Company's recapitalization in 1998, the management agreement or other transactions related to their investment in Domino's, except for such liability or expense arising on account of such indemnified person's willful misconduct.

The repurchase price of \$17.01 per share in this private transaction was based on a negotiated

discount between the Company and JPMP. The Company also completed an amendment to the Company's senior credit facility on March 28, 2005 in order to permit the repurchase transaction, reduce current cash sweep requirements and provide additional financial flexibility. The private repurchase of shares and the credit agreement amendment were reviewed and unanimously approved by the Domino's Board. The Company used available cash on hand and borrowings from the Company's revolving credit facility to fund the repurchase transaction.

On March 10, 2006, Domino's repurchased and retired 5,624,602 shares of Domino's Pizza common stock from investment funds associated with shareholder Bain Capital, LLC (collectively "Bain"), for approximately \$145 million, or \$25.78 per share. The repurchase price of \$25.78 per share in this private transaction was based on a negotiated discount between the Company and Bain. The Company also completed an amendment to the Company's senior credit facility on March 9, 2006 in order to increase the Company's share repurchase basket and allow for additional borrowing. The private repurchase of shares was reviewed and approved by a fully-independent committee of the Board. The credit agreement amendment was reviewed and unanimously approved by the Board. The Company used available cash on hand and additional term loan borrowings to fund the repurchase transaction.

Financing arrangements

One of the Company's former directors, Robert Ruggiero, Jr., is an executive officer of the ultimate general partners of J.P. Morgan Partners (BHCA), L.P. and Sixty Wall Street Fund, L.P. and an executive of J.P. Morgan Capital, L.P., each of which is a shareholder (collectively, the "JPMorgan Shareholders"). Mr. Ruggiero resigned from the Board effective April 21, 2004. Affiliates of the JPMorgan Shareholders provide services to the Company from time-to-time on terms which Domino's believes are no less favorable than obtainable from an unrelated third party. J.P. Morgan Securities Inc., an affiliate of the JPMorgan Shareholders, acted as a joint book-running manager for the Domino's Pizza initial public offering in July 2004, for which they were paid approximately \$7.0 million in customary underwriter fees. In addition, during 2002 and in connection with the consummation of one of the Company's previous senior secured credit facilities, these affiliates provided financing services for which they were paid approximately \$2.3 million in financing fees. In addition, J.P. Morgan Securities Inc., an affiliate of the JPMorgan Shareholders, served as the book-running manager of the Company's 2003 senior subordinated note offering and solicitation agent for the 2009 senior subordinated note tender offer that was executed in 2003 and related consent solicitation, and other affiliates, in their respective capacities, acted as joint lead arranger, administrative agent and a lender under the Company's current senior secured credit facility and for the first three amendments thereto through 2004 for which they received customary fees, which totaled approximately \$9.0 million. During 2005 and through March 15, 2006, the Company paid an affiliate of JPMorgan Shareholders \$1.3 million of financing costs relating to amendments to the Company's senior secured credit facility. JPMorgan Chase Bank received or will receive commitment and letters of credit fees for their ratable portion of the Company's previous senior secured credit facility and the Company's new senior secured credit facility. JPMorgan Chase Bank is also currently a counterparty to interest rate derivative agreements with the Company with an aggregate notional amount of \$450.0 million.

Lease arrangements

In connection with the Domino's recapitalization in 1998, Domino's Pizza LLC, the Company's operating subsidiary, entered into a lease with Domino's Farms Office Park L.L.C., or Domino's Farms, with respect to its World Resource Center and Michigan distribution center. Thomas S. Monaghan, one of the Company's former directors and the Company's former majority shareholder, is the ultimate controlling person of Domino's Farms.

The lease was amended in August 2002 with an effective date of December 21, 2003 to provide for additional space, new rent and an expiration date of December 20, 2013 with two five-year options to renew. Under the terms of the lease, as amended, the Company paid \$5.1 million in rent under this lease in 2005. The base rent is subject to annual increases, based on the lower of the consumer price index or a stated percentage, which varies by year, and the Company expects to pay approximately \$5.3 million in 2006.

Contingent notes payable

We were liable under two contingent notes to pay Mr. Monaghan and his wife an aggregate amount not to exceed approximately \$15.0 million, plus interest, commencing January 2003 and equal to 8% per annum. Prior to the Domino's Pizza initial public offering, Mr. Monaghan transferred his interest in his contingent note to the Ave Maria Foundation and certain of his family members. Following the Domino's Pizza initial public offering, the Company prepaid all of the outstanding amounts due under these notes, totaling approximately \$16.9 million.

Charitable contribution

In February 2004, the Board approved a contribution of \$100,000 to the David A. Brandon Foundation, a Section 501(c)(3) not-for-profit organization which was founded by the Company's Chairman and Chief Executive Officer, who serves on the Board of Directors of the foundation.

Repurchase of Class L stock options

At the time of the Domino's July 2004 initial public offering, Domino's repurchased from each of Messrs. Silverman and Soignet the outstanding options to purchase shares of its Class L common stock held by them. Each of Messrs. Silverman and Soignet held an option to purchase 7,407 shares of its Class L common stock at an exercise price of \$60.75 per share. These options were initially issued in connection with TISM, Inc.'s 1998 recapitalization and became options to purchase shares of its Class L common stock in the reclassification that occurred upon the merger of TISM, Inc. into Domino's Pizza, Inc. At the initial public offering, upon the conversion of Domino's Pizza Class L common stock into shares of Domino's Pizza common stock in the reclassification, the options held by Messrs. Silverman and Soignet each became exercisable for 53,976 shares of Domino's Pizza common stock, by converting each option to purchase a share of Class L common stock into an option to purchase one share of common stock plus an additional number of shares of common stock determined by dividing the Class L preference amount, \$81.23, by \$12.92, the initial public offering price of a share of Domino's Pizza common stock in the offering net of the estimated underwriting discount and a pro rata portion, based upon the number of shares being sold in the offering, of the estimated offering-related expenses incurred by us. The Company paid to each of Messrs. Silverman and Soignet approximately \$305,000 in exchange for their Class L stock options, equal to the difference between the aggregate exercise price of such options, approximately \$450,000, and the fair market value of the shares issuable upon exercise, approximately \$755,000 based on the \$14.00 per share initial public offering price.

New franchisee

James Rosenberg, the son of Robert M. Rosenberg, a director of the Company, opened a Domino's Pizza franchise in 2005. James Rosenberg paid \$3,250 in customary fees. In accordance with the terms of his standard ten-year Franchise Agreement, James Rosenberg will pay Domino's a standard royalty rate on the sales at his Domino's Pizza franchise and will also purchase his food and supplies from the Domino's Pizza distribution system.

Time sharing agreement with David Brandon for use of corporate aircraft

In accordance with the terms of the Time Sharing Agreement between Domino's Pizza LLC and David Brandon, dated as of December 2, 2002, Mr. Brandon paid the Company \$67,535 in 2005 as reimbursement of certain expenses incurred by the Company in relation to his personal use of the company aircraft.

ITEM 4: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Company's Audit Committee has selected PricewaterhouseCoopers LLP as the independent registered public accountants of the Company for the current fiscal year. Management expects that representatives of

[Table of Contents](#)

PricewaterhouseCoopers LLP will be present at the Annual Meeting with the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the common shares represented at the meeting in person or by proxy is necessary to ratify the selection of the Company's independent registered public accountants for the current year. Under applicable law, listing requirements and the Company's By-Laws, abstentions are counted as present; the effect of an abstention is the same as a "no" vote. Unless otherwise indicated, the persons named in the Proxy will vote all Proxies in favor of ratification. If the selection of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will reconsider the selection of independent registered public accountants.

Even if the selection of PricewaterhouseCoopers LLP is ratified by shareholders, the Audit Committee in its discretion could decide to terminate the engagement of PricewaterhouseCoopers LLP and to engage another firm if the Committee determines such action to be necessary or desirable.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS OF THE COMPANY FOR THE CURRENT YEAR.

"Householding" of Proxy Materials

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or the Company that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to Domino's Pizza, Inc., Investor Relations, 30 Frank Lloyd Wright Drive, Ann Arbor, Michigan 48105, or calling Investor Relations at (734) 930-3008.

It is important that Proxies be returned promptly. Therefore, whether or not you expect to attend the meeting in person, you are urged to fill in, sign and return the Proxy in the enclosed stamped, self-addressed envelope, or to vote electronically as described on page 1 of this proxy statement.

By order of the Board of Directors.

3. Administration and Amendment

3.1. Administration. The Plan shall be administered by the Committee. The Committee shall have the authority to: (a) determine the Participants in the Plan for any fiscal year, (b) determine the amount of the Target Performance Amounts for any fiscal year, (c) determine, modify or waive the terms and conditions of each Award; and (d) interpret the Plan and any terms and conditions associated with any Award granted under the Plan and to decide any questions and settle all controversies and disputes that may arise in connection with the Plan or any Award granted under the Plan. In the case of any Award intended to be eligible for the performance-based compensation exception under Section 162(m) of the Code, the Committee will exercise its discretion consistent with qualifying Awards for that exception. Determinations of the Committee made under the Plan shall be conclusive and shall bind all parties.

3.2. Amendment. The Committee may amend, suspend or discontinue the Plan (including, for the avoidance of doubt, Schedule A) at any time or times, subject to Applicable Law and the receipt of any required regulatory approvals and, where required by Applicable Law (whether pursuant to Stock Exchange Rules or in order to cause the Awards payable under this Plan to be fully deductible by the Company and its Subsidiaries pursuant to Section 162(m) of the Code or otherwise), subject to approval by the stockholders of the Company. No such amendment shall adversely affect the rights of any Participant as to any Award previously granted under the Plan without the consent of the Participant who was granted such Award.

4. Establishment of Target and Grant of Awards

4.1. Establishment of Target Performance Amounts. The Committee shall establish Performance Measures and the Target Performance Amounts thereof (in such fashion and with such specificity so that they qualify as “preestablished objective goals” within the meaning of Treas. Regs. Section 1-162-27(e)(2)) and (to the extent not specified in a Participant’s employment agreement) such Participant’s Tier I Specified Percentage, if any, and such Participant’s Tier II Specified Percentage, if any, for any fiscal year not later than 90 days after the commencement of such year (or such earlier time as is required to qualify Awards as performance-based under Code Section 162(m)); provided, however, that the amount so established by the Committee may be adjusted by the Committee after the initial determination of the amount to reflect any significant change of circumstance, including without limitation, the acquisition or disposition of any business by the Company or any of its Subsidiaries.

4.2. Grant of Awards.

4.2.1. Tier I Bonus. Schedule A lists every Participant eligible to receive a Tier I Bonus together with such Participant’s Tier I Specified Percentage. If the Tier I Achieved Performance Amount established with respect to a Participant is greater than 90% of the respective Tier I Target Performance Amount established with respect to such Participant for a given fiscal year, then such Participant shall receive a Tier I Bonus hereunder as follows. Such Participant shall (subject to the immediately following sentence) receive an Incremental Percentage of his or her Base Salary for every one hundredth of one percent (0.01%) (rounded to the nearest hundredth) for which

[Table of Contents](#)

such Tier I Achieved Performance Amount exceeds 90% of such Tier I Target Performance Amount. Notwithstanding anything else herein to the contrary, at any time prior to payment of the Tier I Bonus, the Committee shall have the right to reduce such Tier I Bonus (but not below zero) based on such subjective criteria as the Committee determines in its sole discretion.

By way of example only, if a Participant is entitled to a Tier I Bonus and such Participant's Tier I Specified Percentage is 100% then: (i) if the Tier I Achieved Performance Amount with respect to such Participant equals 100% of the Tier I Target Performance Amount with respect to such Participant, such Participant will be entitled to a Tier I Bonus hereunder equal to 100% of such Participant's Base Salary; (ii) if instead the Tier I Achieved Performance Amount with respect to such Participant equals 101% of the Tier I Target Performance Amount with respect to such Participant, such Participant will be entitled to a Tier I Bonus hereunder equal to 110% of such Participant's Base Salary; (iii) if instead the Tier I Achieved Performance Amount with respect to such Participant equals (or is less than) 90% of the Tier I Target Performance Amount with respect to such Participant, such Participant will not be entitled to a Tier I Bonus hereunder; and (iv) if instead the Tier I Achieved Performance Amount with respect to such Participant, equals 95% of the Tier I Target Performance Amount with respect to such Participant, such Participant will be entitled to a Tier I Bonus hereunder equal to 50% of such Participant's Base Salary.

4.2.2. Tier II Bonus. Schedule A lists every Participant eligible to receive a Tier II Bonus together with such Participant's Tier II Specified Percentage. If the Tier II Achieved Performance Amount established with respect to a Participant exceeds the respective Tier II Target Performance Amount established with respect to such Participant for a given fiscal year then such Participant shall (subject to the immediately following sentence) receive a Tier II Bonus in an amount not to exceed the Tier II Specified Percentage of such Participant's Base Salary (all in accordance with Section 4.1). Notwithstanding anything else herein to the contrary, at any time prior to payment of the Tier II Bonus, the Committee shall have the right to reduce the Tier II Bonus (but not below zero) based on such subjective criteria as the Committee determines in its sole discretion.

4.3. Application of 162(m). This Section 4.3 applies to any Award intended to qualify as performance-based for purposes of Code Section 162(m). In the case of any Award to which this Section 4.3 applies, the Plan and such Award will be construed to the maximum extent permitted by law in a manner consistent with qualifying the Award for such exception. No Award to which this Section 4.3 applies may be granted if the Committee determines that in order for such Award to qualify as performance-based for purposes of Code Section 162(m), the Plan must be submitted to and approved, or resubmitted to and approved, by the stockholders of the Company in accordance with the requirements of Code Section 162(m), unless such grant is made contingent upon such approval. The maximum per Participant Award under the Plan for any fiscal year shall not exceed \$2,500,000.

4.4. No Right to Participate. Nothing in the Plan shall be deemed to create any obligation on the part of the Committee to select any executive officer or senior employee as a Participant, nor confer upon any Participant in the Plan the right to remain a Participant in the Plan on the same terms or conditions, or at all, for any subsequent fiscal year.

5. Payment of Awards

Payment of any Award under the Plan with respect to a fiscal year shall be made on or before March 15 of the fiscal year following the fiscal year with respect to which the Award is made.

6. Operation of the Plan

6.1. Compliance with Applicable Law. As a condition of participating in the Plan, each Participant agrees to comply with all Applicable Laws and agrees to furnish to the Company all information and undertakings as may be required to permit compliance by the Company with Applicable Law.

6.2. **Withholding.** The Company may withhold from the payment of each Participant's Award all taxes and other assessments, if any, required by Applicable Law to be withheld.

7. **Merger or Combination.**

If (a) the Company merges into or combines with any other entity and, immediately following such merger or combination, any Person or group of Persons acting in concert holds 50% or more of the voting power of the entity surviving such merger or combination (other than any Person or group of Persons which held 50% or more of the Company's voting power immediately prior to such merger or combination or any Affiliate of any such Person or member of such group); (b) any Person or group of Persons acting in concert acquires 50% or more of the Company's voting power; or (c) the Company sells all or substantially all of its assets or business for cash or for securities of another Person or group of Persons (other than to any Person or group of Persons which held 50% or more of the Company's total voting power immediately prior to such sale or to any Affiliate of any such Person or any member of such group), then, unless the Committee provides for the continuation or assumption of some or all unpaid Awards or for the grant of new awards in substitution therefor (which need not be payable in cash) by the surviving entity or acquiror, in each case on such terms and subject to such conditions as the Committee may determine, with respect to any Award that is not so assumed or continued: (i) the then current fiscal year shall be deemed to end on the last day which is the last day of a fiscal quarter occurring on or prior to the effective date of the merger, combination or sale (or if the Committee in its sole discretion determines that it can make a reasonable determination of a Target Performance Amounts through such effective date, the current fiscal year shall be deemed to end on such effective date); (ii) the Target Performance Amounts shall be prorated (to the extent proration would be applicable to such amount) for the number of days in such shortened fiscal year; and (iii) the amount of any so prorated Awards for such shortened fiscal year shall be determined and the Company shall pay, within twelve months following the effective date of such transaction (but in no event later than March 15 of the fiscal year following the fiscal year containing the effective date of such transaction), such prorated Award to each Participant in respect of such shortened fiscal year.

8. **Termination of Employment**

8.1. **Resignation or Termination by the Company.** If a Participant ceases to be employed by the Company or any of its Subsidiaries prior to the end of any fiscal year as a result of resignation, dismissal or any other reason, such Participant shall cease to be a Participant in the Plan on the date employment ceases and, subject to Section 8.2, shall not receive any Award under the Plan in respect of such fiscal year.

8.2. **Rights upon Termination Pursuant to Agreement.** The Company may provide rights to a Participant in respect of such Participant's Awards upon termination of such Participant's employment that differ from those set forth in Section 8.1 pursuant to an agreement with such Participant. Except to the extent otherwise addressed in any such agreement, the provisions of this Plan, including Section 8.1, shall control.

9. **Rights of Participants**

9.1. **No Right to Continue as Officer or Employee.** Neither the adoption of the Plan nor the selection of any Participant as a Participant shall confer any right to continue as an officer or employee of the Company or any of its Subsidiaries, or affect in any way the right of the Company or any of its Subsidiaries to terminate such Participant's employment at any time. Neither any period of notice, nor any payment in lieu thereof, upon termination of employment shall be considered as extending the period of employment for the purposes of the Plan.

9.2. **No Trust or Fiduciary Relationship.** Nothing contained herein shall be deemed to create a trust of any kind or any fiduciary relationship between the Company and any Participant or be construed as requiring the Company or any Subsidiary or Affiliate of the Company to establish a trust or otherwise to set aside assets to

[Table of Contents](#)

fund the payment of Awards hereunder. A Participant's right to receive payment from the Company in respect of any Award shall be no greater than the right of any unsecured general creditor of the Company.

9.3. **No Assignment by Participants.** The interest of any Participant under the Plan or in any Award shall not be transferable or alienable by such Participant either by pledge, assignment or in any other manner, except that in the event of a Participant's death following the completion of a fiscal year but prior to the payment of an Award with respect to such fiscal year it shall inure to the benefit of and be binding upon the Participant's estate (or beneficiary if one has been designated to the Company in writing prior to such death).

10. Miscellaneous

10.1. **Severability.** Any term or provision of this Plan that is invalid or unenforceable in any situation in any jurisdiction will not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. In the event that any provision hereof would, under Applicable Law, be invalid or unenforceable in any respect, it is the intent of the Company that such provision will be construed by modifying or limiting it so as to be valid and enforceable to the maximum extent compatible with, and possible under, Applicable Law.

10.2. **Governing Law.** This Plan and all actions arising in whole or in part under or in connection herewith, will be governed by and construed in accordance with the domestic substantive laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any other jurisdiction.

11. Effective Date of Plan and Term of Plan

11.1. **Effective Date.** The Plan shall take effect on the Effective Date, subject to its prior approval by the Company's shareholders.

11.2. **Term.** No Awards shall be made under the Plan in respect of any fiscal year commencing after the tenth anniversary of the Effective Date.

**AMENDED
DOMINO'S PIZZA, INC.
2004 EQUITY INCENTIVE PLAN**

1. DEFINED TERMS

Exhibit A, which is incorporated by reference, defines the terms used in the Plan and sets forth certain operational rules related to those terms.

2. GENERAL

The Plan has been established to advance the interests of the Company by giving Stock-based and other incentives to selected Employees, directors and other persons (including both individuals and entities) who provide services to the Company or its Affiliates.

3. ADMINISTRATION

The Administrator has discretionary authority, subject only to the express provisions of the Plan, to interpret the Plan; determine eligibility for and grant Awards; determine, modify or waive the terms and conditions of any Award, except that the Administrator may not reduce the exercise price of an outstanding Option and may not, without the consent of the holder of an Award, take any action under this clause with respect to such Award if such action would adversely affect the rights of such holder; prescribe forms, rules and procedures (which it may modify or waive); and otherwise do all things necessary to carry out the purposes of the Plan. In the case of any Award intended to be eligible for the performance-based compensation exception under Section 162(m), the Administrator shall exercise its discretion consistent with qualifying the Award for such exception.

4. LIMITS ON AWARD UNDER THE PLAN

a. Number of Shares.

A maximum of 10,600,000 shares of Stock may be delivered in satisfaction of Awards under the Plan. The shares of Stock may be authorized, but unissued, or reacquired shares of Stock. For purposes of the preceding sentence, the following shares shall not be considered to have been delivered under the Plan: (i) shares remaining under an Award that terminates without having been exercised in full; (ii) shares of Restricted Stock that have been forfeited in accordance with the terms of the applicable Award; and (iii) shares held back, in satisfaction of the exercise price or tax withholding requirements, from shares that would otherwise have been delivered pursuant to an Award. The number of shares of Stock delivered under an Award shall be determined net of any previously acquired Shares tendered by the Participant in payment of the exercise price or of withholding taxes. A maximum of 1,000,000 shares of Stock may be issued as ISO Awards under the Plan.

b. Type of Shares.

Stock delivered by the Company under the Plan may be authorized but unissued Stock or previously issued Stock acquired by the Company and held in treasury. No fractional shares of Stock will be delivered under the Plan.

c. Option & SAR Limits.

The maximum number of shares of Stock for which Stock Options may be granted to any person in any calendar year, the maximum number of shares of Stock subject to SARs granted to any person in any calendar year and the aggregate maximum number of shares of Stock subject to other Awards that may be delivered to any

[Table of Contents](#)

person in any calendar year shall each be 1,000,000. For purposes of the preceding sentence, the repricing of a Stock Option or SAR shall be treated as a new grant to the extent required under Section 162(m). Subject to these limitations, each person eligible to participate in the Plan shall be eligible in any year to receive Awards covering up to the full number of shares of Stock then available for Awards under the Plan.

d. Other Award Limits.

No more than \$1,000,000 may be paid to any individual with respect to any Cash Performance Award. In applying the limitation of the preceding sentence: (A) multiple Cash Performance Awards to the same individual that are determined by reference to performance periods of one year or less ending with or within the same fiscal year of the Company shall be subject in the aggregate to one limit of such amount, and (B) multiple Cash Performance Awards to the same individual that are determined by reference to one or more multi-year performance periods ending in the same fiscal year of the Company shall be subject in the aggregate to a separate limit of such amount. With respect to any Performance Award other than a Cash Performance Award or a Stock Option or SAR, the maximum Award opportunity shall be 1,000,000 shares of Stock or their equivalent value in cash, subject to the limitations of Section 4.c.

5. ELIGIBILITY AND PARTICIPATION

The Administrator will select Participants from among those key Employees, directors and other individuals or entities providing services to the Company or its Affiliates who, in the opinion of the Administrator, are in a position to make a significant contribution to the success of the Company and its Affiliates. Eligibility for ISOs is further limited to those individuals whose employment status would qualify them for the tax treatment described in Sections 421 and 422 of the Code.

6. RULES APPLICABLE TO AWARDS

a. All Awards.

(1) **Terms of Awards.** The Administrator shall determine the terms of all Awards subject to the limitations provided herein. In the case of an ISO, the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the Award. Moreover, in the case of an ISO granted to a Participant who, at the time the ISO is granted, owns stock representing more than ten percent (10%) of the total combined voting power of all classes of capital stock of the Company or any Parent or Subsidiary, the term of the ISO shall be five (5) years from the date of grant or such shorter term as may be provided in the Award.

(2) **Performance Criteria.** Where rights under an Award depend in whole or in part on satisfaction of Performance Criteria, actions by the Company that have an effect, however material, on such Performance Criteria or on the likelihood that they will be satisfied will not be deemed an amendment or alteration of the Award.

(3) **Alternative Settlement.** The Company may at any time extinguish rights under an Award in exchange for payment in cash, Stock (subject to the limitations of Section 4) or other property on such terms as the Administrator determines, provided the holder of the Award consents to such exchange.

(4) **Transferability Of Awards.** Except as the Administrator otherwise expressly provides, Awards may not be transferred other than by will or by the laws of descent and distribution, and during a Participant's lifetime an Award requiring exercise may be exercised only by the Participant (or in the event of the Participant's incapacity, the person or persons legally appointed to act on the Participant's behalf).

(5) **Vesting, Etc.** Without limiting the generality of Section 3, the Administrator may determine the time or times at which an Award will vest (i.e., become free of forfeiture restrictions) or become exercisable and the terms on which an Award requiring exercise will remain exercisable. Unless the Administrator expressly

Table of Contents

provides otherwise, immediately upon the cessation of the Participant's employment or other service relationship with the Company and its Affiliates an Award requiring exercise will cease to be exercisable and all Awards to the extent not already fully vested will be forfeited, except that:

(A) all Stock Options and SARs held by a Participant immediately prior to his or her death, to the extent then exercisable, will remain exercisable by such Participant's executor or administrator or the person or persons to whom the Stock Option or SAR is transferred by will or the applicable laws of descent and distribution, and to the extent not then exercisable will vest and become exercisable upon such Participant's death by such Participant's executor or administrator or the person or persons to whom the Stock Option or SAR is transferred by will or the applicable laws of descent and distribution, in each case for the lesser of (i) a one year period ending with the first anniversary of the Participant's death or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6.a.(5) and shall thereupon terminate; and

(B) all Stock Options and SARs held by the Participant immediately prior to the cessation of the Participant's employment or other service relationship for reasons other than death and except as provided in (C) below, to the extent then exercisable, will remain exercisable for the lesser of (i) a period of three months or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6.a.(5), and shall thereupon terminate.

Unless the Administrator expressly provides otherwise, a Participant's "employment or other service relationship with the Company and its Affiliates" will be deemed to have ceased, in the case of an employee Participant, upon termination of the Participant's employment with the Company and its Affiliates (whether or not the Participant continues in the service of the Company or its Affiliates in some capacity other than that of an employee of the Company or its Affiliates), and in the case of any other Participant, when the service relationship in respect of which the Award was granted terminates (whether or not the Participant continues in the service of the Company or its Affiliates in some other capacity).

(6) **Taxes.** The Administrator will make such provision for the withholding of taxes as it deems necessary. The Administrator may, but need not, hold back shares of Stock from an Award or permit a Participant to tender previously owned shares of Stock in satisfaction of tax withholding requirements, but not in excess of the minimum tax withholding rates applicable to the employee.

(7) **Dividend Equivalents, Etc.** The Administrator may provide for the payment of amounts in lieu of cash dividends or other cash distributions with respect to Stock subject to an Award.

(8) **Rights Limited.** Nothing in the Plan shall be construed as giving any person the right to continued employment or service with the Company or its Affiliates, or any rights as a shareholder except as to shares of Stock actually issued under the Plan. The loss of existing or potential profit in Awards will not constitute an element of damages in the event of termination of employment or service for any reason, even if the termination is in violation of an obligation of the Company or Affiliate to the Participant.

(9) **Section 162(m).** In the case of an Award intended to be eligible for the performance-based compensation exception under Section 162(m), the Plan and such Award shall be construed to the maximum extent permitted by law in a manner consistent with qualifying the Award for such exception.

b. Awards Requiring Exercise.

(1) **Time And Manner Of Exercise.** Unless the Administrator expressly provides otherwise, (a) an Award requiring exercise by the holder will not be deemed to have been exercised until the Administrator receives a written notice of exercise (in form acceptable to the Administrator) signed by the appropriate person and accompanied by any payment required under the Award; and (b) if the Award is exercised by any person other

Table of Contents

than the Participant, the Administrator may require satisfactory evidence that the person exercising the Award has the right to do so.

(2) **Exercise Price.** The Administrator shall determine the exercise price of each Stock Option provided that each Stock Option intended to qualify for the performance-based exception under Section 162(m) of the Code and each ISO must have an exercise price that is not less than the fair market value of the Stock subject to the Stock Option, determined as of the date of grant. An ISO granted to an Employee described in Section 422(b)(6) of the Code must have an exercise price that is not less than 110% of such fair market value.

(3) **Payment Of Exercise Price, If Any.** Where the exercise of an Award is to be accompanied by payment: (a) all payments will be by cash or check acceptable to the Administrator, or, if so permitted by the Administrator (with the consent of the optionee of an ISO if permitted after the grant), (i) through the delivery of shares of Stock which have been outstanding for at least six months (unless the Administrator approves a shorter period) and which have a fair market value equal to the exercise price, (ii) by delivery of an unconditional and irrevocable undertaking by a broker to deliver promptly to the Company sufficient funds to pay the exercise price, or (ii) by any combination of the foregoing permissible forms of payment; and (b) where shares of Stock issued under an Award are part of an original issue of shares, the Award shall require an exercise price equal to at least the par value of such shares.

(4) **ISOs.** No ISO may be granted under the Plan after June 1, 2014, but ISOs previously granted may extend beyond that date.

c. Awards Not Requiring Exercise.

Awards of Restricted Stock and Unrestricted Stock may be made in return for either (i) services determined by the Administrator to have a value not less than the par value of the Awarded shares of Stock, or (ii) cash or other property having a value not less than the par value of the Awarded shares of Stock payable in such combination and type of cash, other property (of any kind) or services as the Administrator may determine.

7. EFFECT OF CERTAIN TRANSACTIONS

a. Mergers, Etc.

In the event of a Covered Transaction, all outstanding Awards shall vest and if relevant become exercisable and all deferrals, other than deferrals of amounts that are neither measured by reference to nor payable in shares of Stock, shall be accelerated, immediately prior to the Covered Transaction and upon consummation of such Covered Transaction all Awards then outstanding and requiring exercise shall be forfeited unless assumed by an acquiring or surviving entity or its affiliate as provided in the following sentence. In the event of a Covered Transaction, unless otherwise determined by the Administrator, all Awards that are payable in shares of Stock and that have not been exercised, exchanged or converted, as applicable, shall be converted into and represent the right to receive the consideration to be paid in such Covered Transaction for each share of Stock into which such Award is exercisable, exchangeable or convertible, less the applicable exercise price or purchase price for such Award. In connection with any Covered Transaction in which there is an acquiring or surviving entity, the Administrator may provide for substitute or replacement Awards from, or the assumption of Awards by, the acquiring or surviving entity or its affiliates, any such substitution, replacement or assumption to be on such terms as the Administrator determines, provided that no such replacement or substitution shall diminish in any way the acceleration of Awards provided for in this section.

b. Changes in and Distributions with Respect to the Stock.

(1) **Basic Adjustment Provisions.** In the event of a stock dividend, stock split or combination of shares, recapitalization or other change in the Company's capital structure after May 11, 2004, the Administrator will make appropriate adjustments to the maximum number of shares that may be delivered under the Plan under

[Table of Contents](#)

Section 4.a., and will also make appropriate adjustments to the number and kind of shares of stock or securities subject to Awards then outstanding or subsequently granted, any exercise prices relating to Awards and any other provision of Awards affected by such change.

(2) **Certain Other Adjustments.** The Administrator may also make adjustments of the type described in paragraph (1) above to take into account distributions to common stockholders other than those provided for in Section 7.a. and 7.b.(1), or any other event, if the Administrator determines that adjustments are appropriate to avoid distortion in the operation of the Plan and to preserve the value of Awards made hereunder; provided, that no such adjustment shall be made to the maximum share limits described in Section 4.c. or 4.d., or otherwise to an Award intended to be eligible for the performance-based exception under Section 162(m), except to the extent consistent with that exception, nor shall any change be made to ISOs except to the extent consistent with their continued qualification under Section 422 of the Code.

(3) **Continuing Application of Plan Terms.** References in the Plan to shares of Stock shall be construed to include any stock or securities resulting from an adjustment pursuant to Section 7.b.(1) or 7.b.(2) above.

8. LEGAL CONDITIONS ON DELIVERY OF STOCK

The Company will not be obligated to deliver any shares of Stock pursuant to the Plan or to remove any restriction from shares of Stock previously delivered under the Plan until the Company's counsel has approved all legal matters in connection with the issuance and delivery of such shares; if the outstanding Stock is at the time of delivery listed on any stock exchange or national market system, the shares to be delivered have been listed or authorized to be listed on such exchange or system upon official notice of issuance; and all conditions of the Award have been satisfied or waived. If the sale of Stock has not been registered under the Securities Act of 1933, as amended, the Company may require, as a condition to exercise of the Award, such representations or agreements as counsel for the Company may consider appropriate to avoid violation of such Act. The Company may require that certificates evidencing Stock issued under the Plan bear an appropriate legend reflecting any restriction on transfer applicable to such Stock.

9. AMENDMENT AND TERMINATION

Subject to the last sentence of Section 3, the Administrator may at any time or times amend the Plan or any outstanding Award for any purpose which may at the time be permitted by law, or may at any time terminate the Plan as to any further grants of Awards; provided, that (except to the extent expressly required or permitted by the Plan) no such amendment will, without the approval of the stockholders of the Company, effectuate a change for which stockholder approval is required in order for the Plan to continue to qualify under Section 422 of the Code and for Awards to be eligible for the performance-based exception under Section 162(m).

In addition, the Administrator may take any action consistent with the terms of the Plan, either before or after an Award has been granted, which the Administrator deems necessary or advisable to comply with any government laws or regulatory requirements of a foreign country, including but not limited to, modifying or amending the terms and conditions governing any Awards, or establishing any local country plans as sub-plans to this Plan. Further, under all circumstances, the Administrator may make non-substantive administrative changes to the Plan as to conform with or take advantage of governmental requirements, statutes or regulations.

10. NON-LIMITATION OF THE COMPANY'S RIGHTS

The existence of the Plan or the grant of any Award shall not in any way affect the Company's right to Award a person bonuses or other compensation in addition to Awards under the Plan.

11. GOVERNING LAW

The Plan shall be construed in accordance with the laws of the State of Delaware.

“Committee”: One or more committees of the Board which in the case of Awards granted to officers of the Company shall be comprised solely of two or more outside directors within the meaning of Section 162(m).
